This simple stand is designed specifically for the **Puffco Proxy** vaporizer. It securely holds the Proxy while keeping it steady and upright, when not in use and on display.

The stand is compatible with the stock Puffco Proxy glass, offering a nice fit that ensures stability without compromising style or function. This makes it a perfect accessory for anyone looking to keep their Proxy setup neatly on a desk, shelf or tabletop.

The design is clean, functional, and easy to print, requiring no supports.
